SCHEDULE Y

INFORMATION CONCERNING ACTIVITIES OF INSURER MEMBERS OF
A HOLDING COMPANY GROUP

All insurer members of a holding company group that has acquired and/or disposed of any domestic insurer(s) since filing the last annual or quarterly statement shall prepare a common schedule for inclusion in each of the individual quarterly statements.

The term "holding company group" includes members of a holding company system and controlled groups.

Attach a chart or listing presenting the identities of and interrelationships between the parent, all affiliated insurers and other affiliates, identifying all insurers as such and listing the Federal Employer's Identification Number for each. The NAIC company code and two-letter state abbreviation of the state of domicile should be included for all domestic insurers. The relationships of the holding company group to the ultimate parent (if such parent is outside the reporting holding company) should be shown. No non-insurer need be shown if it does not have any activities that will be reported in Schedule Y, Part 2 of the annual statement and its total assets are less than one-half of one percent of the total assets of the largest affiliated insurer.
